**DONALD K. ANDERSON, JR., INDIVIDUALLY**

**APPLICABLE LAW:** The law of the state of Missouri will govern this note. Any term of this note which is contrary to applicable law will not be effective, unless the law permits you and me to agree to such a variation. If any provision of this agreement cannot be enforced according to its terms, this fact will not affect the enforceability of the remainder of this agreement. No modification of this agreement may be made without your express written consent. Time is of the essence in this agreement.

**PAYMENTS:** Each payment I make on this note will first reduce the amount I owe you for charges which are neither interest nor principal. The remainder of each payment will then reduce accrued unpaid interest, and then unpaid principal. If you and I agree to a different application of payments, we will describe our agreement on this note. I may prepay a part of, or the entire balance of this loan without penalty, unless we specify to the contrary on this note. Any partial prepayment will not excuse or reduce any later scheduled payment until this note is paid in full (unless, when I make the prepayment, you and I agree in writing to the contrary).

**INTEREST:** If I receive the principal in more than one advance, each advance will start to earn interest only when I receive the advance. The interest rate in effect on this note at any given time will apply to the entire principal advanced at that time. You and I may provide in this agreement for accrued interest not paid when due to be added to principal. Notwithstanding anything to the contrary, I do not agree to pay and you do not intend to charge any rate of interest that is higher than the maximum rate of interest you could charge under applicable law for the extension of credit that is agreed to here (either before or after maturity). If any notice of interest accrual is sent and is in error, we mutually agree to correct it, and if you actually collect more interest than allowed by law and this agreement, you agree to refund it to me.

**INDEX RATE:** The index will serve only as a device for setting the rate on this note. You do not guarantee by selecting this index, or the margin, that the rate on this note will be the same rate you charge on any other loans or class of loans to me or other borrowers.

**ACCRUAL METHOD:** The amount of interest that I will pay on this loan will be calculated using the interest rate and accrual method stated on page 1 of this note. For the purpose of interest calculation, the accrual method will determine the number of days in a "year." If no accrual method is stated, then you may use any reasonable accrual method for calculating interest.

**POST MATURITY RATE:** For purposes of deciding when the "Post Maturity Rate" (shown on page 1) applies, the term "maturity" means the date of the last scheduled payment indicated on page 1 of this note or the date you accelerate payment on the note, whichever is earlier.

**SINGLE ADVANCE LOANS:** If this is a single advance loan, you and I expect that you will make only one advance of principal. However, you may add other amounts to the principal if you make any payments described in the "PAYMENTS BY LENDER" paragraph below, or if we have agreed that accrued interest not paid when due may be added to principal.

**MULTIPLE ADVANCE LOANS:** If this is a multiple advance loan, you and I expect that you will make more than one advance of principal. If this is closed end credit, repaying a part of the principal will not entitle me to additional credit.

**PAYMENTS BY LENDER:** If you are authorized to pay, on my behalf, charges I am obligated to pay (such as property insurance premiums), then you may treat those payments made by you as advances and add them to the unpaid principal under this note, or you may demand immediate payment of the charges.

**SET-OFF:** I agree that you may set off any amount due and payable under this note against any right I have to receive money from you.

"Right to receive money from you" means:

- (1) any deposit account balance I have with you;
- (2) any money owed to me on an item presented to you or in your possession for collection or exchange; and
- (3) any repurchase agreement or other nondeposit obligation.

"Any amount due and payable under this note" means the total amount of which you are entitled to demand payment under the terms of this note at the time you set off. This total includes any balance the due date for which you properly accelerate under this note.

If my right to receive money from you is also owned by someone who has not agreed to pay this note, your right of set-off will apply to my interest in the obligation and to any other amounts I could withdraw on my sole request or endorsement. Your right of set-off does not apply to an account or other obligation where my rights are only as a representative. It also does not apply to any Individual Retirement Account or other tax-deferred retirement account.

You will not be liable for the dishonor of any check when the dishonor occurs because you set off this debt against any of my accounts. I agree to hold you harmless from any such claims arising as a result of your exercise of your right of set-off.

**REAL ESTATE OR RESIDENCE SECURITY:** If this note is secured by real estate or a residence that is personal property, the existence of a default and your remedies for such a default will be determined by applicable law, by the terms of any separate instrument creating the security interest and, to the extent not prohibited by law and not contrary to the terms of the separate security instrument, by the "Default" and "Remedies" paragraphs herein.

**DEFAULT:** I will be in default if any one or more of the following occur: (1) I fail to make a payment on time or in the amount due; (2) I fail to keep the

property insured, if required; (3) I fail to pay, or keep any promise, on any debt or agreement I have with you; (4) any other creditor of mine attempts to collect any debt I owe him through court proceedings; (5) I die, am declared incompetent, make an assignment for the benefit of creditors, or become insolvent (either because my liabilities exceed my assets or I am unable to pay my debts as they become due); (6) I make any written statement or provide any financial information that is untrue or inaccurate at the time it was provided; (7) I do or fail to do something which causes you to believe that you will have difficulty collecting the amount I owe you; (8) any collateral securing this note is used in a manner or for a purpose which threatens confiscation by a legal authority; (9) I change my name or assume an additional name without first notifying you before making such a change; (10) I fail to plant, cultivate and harvest crops in due season if I am a producer of crops; (11) any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 C.F.R. Part 1940, Subpart G, Exhibit M.

**REMEDIES:** If I am in default on this note you have, but are not limited to, the following remedies:

- (1) You may demand immediate payment of all I owe you under this note (principal, accrued unpaid interest and other accrued charges).
- (2) You may set off this debt against any right I have to the payment of money from you, subject to the terms of the "Set-Off" paragraph herein.
- (3) You may demand security, additional security, or additional parties to be obligated to pay this note as a condition for not using any other remedy.
- (4) You may refuse to make advances to me or allow purchases on credit by me.
- (5) You may use any remedy you have under state or federal law.

By selecting any one or more of these remedies you do not give up your right to later use any other remedy. By waiving your right to declare an event to be a default, you do not waive your right to later consider the event as a default if it continues or happens again.

**COLLECTION COSTS AND ATTORNEY'S FEES:** I agree to pay all costs of collection, replevin or any other or similar type of cost if I am in default. In addition, if you hire an attorney to collect this note, I also agree to pay any fee you incur with such attorney plus court costs (except where prohibited by law). To the extent permitted by the United States Bankruptcy Code, I also agree to pay the reasonable attorney's fees and costs you incur to collect this debt as awarded by any court exercising jurisdiction under the Bankruptcy Code.

**WAIVER:** I give up my rights to require you to do certain things. I will not require you to:

- (1) demand payment of amounts due (presentment);
- (2) obtain official certification of nonpayment (protest); or
- (3) give notice that amounts due have not been paid (notice of dishonor).

**OBLIGATIONS INDEPENDENT:** I understand that I must pay this note even if someone else has also agreed to pay it (by, for example, signing this form or a separate guarantee or endorsement). You may sue me alone, or anyone else who is obligated on this note, or any number of us together, to collect this note. You may do so without any notice that it has not been paid (notice of dishonor). You may without notice release any party to this agreement without releasing any other party. If you give up any of your rights, with or without notice, it will not affect my duty to pay this note. Any extension of new credit to any of us, or renewal of this note by all or less than all of us will not release me from my duty to pay it. (Of course, you are entitled to only one payment in full.) I agree that you may at your option extend this note or the debt represented by this note, or any portion of the note or debt, from time to time without limit or notice and for any term without affecting my liability for payment of the note. I will not assign my obligation under this agreement without your prior written approval.

**CREDIT INFORMATION:** I agree and authorize you to obtain credit information about me from time to time (for example, by requesting a credit report) and to report to others your credit experience with me (such as a credit reporting agency). I agree to provide you, upon request, any financial statement or information you may deem necessary. I warrant that the financial statements and information I provide to you are or will be accurate, correct and complete.

**NOTICE:** Unless otherwise required by law, any notice to me shall be given by delivering it or by mailing it by first class mail addressed to me at my last known address. My current address is on page 1. I agree to inform you in writing of any change in my address. I will give any notice to you by mailing it first class to your address stated on page 1 of this agreement, or to any other address that you have designated.

**ORAL AGREEMENTS:** Oral agreements or commitments to loan money, extend credit or to forbear from enforcing repayment of a debt including promises to extend or renew such debt are not enforceable. To protect you (borrower(s)) and us (creditor) from misunderstanding or disappointment, any agreements we reach covering such matters are contained in this writing, which is the complete and exclusive statement of the agreement between us, except as we may later agree in writing to modify it.

## ADDITIONAL PROVISIONS

### 3. Additional Representations, Warranties and Agreements. Debtor represents, warrants and agrees that:

(a) Debtor has (or will have at the time Debtor acquires rights in Collateral hereafter arising) absolute title to each item of Collateral free and clear of all security interests, liens and encumbrances, except the Security Interest, and will defend the Collateral against all claims or demands of all persons other than Secured Party. Debtor will not sell or otherwise dispose of the Collateral or any interest therein without the prior written consent of Secured Party, except that, until the occurrence of an Event of Default and the revocation by Secured Party of Debtor's right to do so, Debtor may sell any inventory constituting Collateral to Buyers in the ordinary course of business and use and consume any farm products constituting Collateral in Debtor's farming operations. If Debtor is a corporation, this Agreement has been duly and validly authorized by all necessary corporate action, and, if Debtor is a partnership, the partner(s) executing this Agreement has (have) authority to act for the partnership.

(b) Debtor will not permit any tangible Collateral to be located in any state (and, if county filing is required, in any county) in which a financing statement covering such Collateral is required to be, but has not in fact been, filed in order to perfect the Security Interest.

(c) Each right to payment and each instrument, document, chattel paper and other agreement constituting or evidencing Collateral is (or will be when arising or issued) the valid, genuine and legally enforceable obligation, subject to no defense, set-off or counterclaim (other than those arising in the ordinary course of business) of the account debtor or other obligor named therein or in Debtor's records pertaining thereto as being obligated to pay such obligation. Debtor will neither agree to any material modification or amendment nor agree to any cancellation of any such obligation without Secured Party's prior written consent, and will not subordinate any such right to payment to claims of any creditors of such account debtor or other obligor.

(d) Debtor will (i) keep all tangible Collateral in good repair, working order and condition, normal depreciation excepted, and will, from time to time, replace any worn, broken or defective parts thereof; (ii) promptly pay all taxes and other governmental charges levied or assessed upon or against any Collateral or upon or against the creation, perfection or continuance of the Security Interest; (iii) keep all Collateral free and clear of all security interests, liens and encumbrances except the Security Interest; (iv) at all reasonable times, permit Secured Party or its representatives to examine or inspect any Collateral, wherever located, and to examine, inspect and copy Debtor's books and records pertaining to the Collateral and its business and financial condition and to send and discuss with account debtors and other obligors requests for verifications of amounts owed to Debtor; (v) keep accurate and complete records pertaining to the Collateral and pertaining to Debtor's business and financial condition and submit to Secured Party such periodic reports concerning the Collateral and Debtor's business and financial condition as Secured Party may from time to time reasonably request; (vi) promptly notify Secured Party of any loss of or material damage to any Collateral or of any adverse change, known to Debtor, in the prospect of payment of any sums due on or under any instrument, chattel paper, or account constituting Collateral; (vii) if Secured Party at any time so requests (whether the request is made before or after the occurrence of an Event of Default), promptly deliver to Secured Party any instrument, document or chattel paper constituting Collateral, duly endorsed or assigned by Debtor; (viii) at all times keep all tangible Collateral insured against risks of fire (including so-called extended coverage), theft, collision (in case of Collateral consisting of motor vehicles) and such other risks and in such amounts as Secured Party may reasonably request, with any loss payable to Secured Party to the extent of its interest; (ix) from time to time execute such financing statements as Secured Party may reasonably require in order to perfect the Security Interest and, if any Collateral consists of a motor vehicle, execute such documents as may be required to have the Security Interest properly noted on a certificate of title; (x) pay when due or reimburse Secured Party on demand for all costs of collection of any of the Obligations and all other out-of-pocket expenses (including in each case all reasonable attorneys' fees) incurred by Secured Party in connection with the creation, perfection, satisfaction, protection, defense or enforcement of the Security Interest or the creation, continuance, protection, defense or enforcement of this Agreement or any or all of the Obligations, including expenses incurred in any litigation or bankruptcy or insolvency proceedings; (xi) execute, deliver or endorse any and all instruments, documents, assignments, security agreements and other agreements and writings which Secured Party may at any time reasonably request in order to secure, protect, perfect or enforce the Security Interest and Secured Party's rights under this Agreement; (xii) not use or keep any Collateral, or permit it to be used or kept, for any unlawful purpose or in violation of any federal, state or local law, statute or ordinance; and (xiii) not permit any tangible Collateral, to become part of or to be affixed to any real property without first assuring to the reasonable satisfaction of Secured Party that the Security Interest will be prior and senior to any interest or lien then held or thereafter acquired by any mortgagee of such real property or the owner or purchaser of any interest therein. If Debtor at any time fails to perform or observe any agreement contained in this Section 3(d), and if such failure shall continue for a period of ten calendar days after Secured Party gives Debtor written notice thereof (or, in the case of the agreements contained in clauses (viii) and (ix) of this Section 3(d), immediately upon the occurrence of such failure, without notice or lapse of time), Secured Party may (but need not) perform or observe such agreement on behalf and in the name, place and stead of Debtor (or, at Secured Party's option, in Secured Party's own name) and may (but need not) take any and all other actions which Secured Party may reasonably deem necessary to cure or correct such failure (including, without limitation, the payment of taxes, the satisfaction of security interests, liens, or encumbrances, the performance of obligations under contracts or agreements with account debtors or other obligors, the procurement and maintenance of insurance, the execution of financing statements, the endorsement of instruments, and the procurement of repairs, transportation or insurance); and, except to the extent that the effect of such payment would be to render any loan or forbearance of money usurious or otherwise illegal under any applicable law. Debtor shall thereupon pay Secured Party on demand the amount of all moneys expended and all costs and expenses (including reasonable attorney's fees) incurred by Secured Party, in connection with or as a result of Secured Party's performing or observing such agreements or taking such actions, together with interest thereon from the date expended or incurred by Secured Party at the highest rate then applicable to any of the Obligations. To facilitate the performance or observance by Secured Party of such agreements of Debtor, Debtor hereby irrevocably appoints (which appointment is coupled with an interest) Secured Party, or its delegate, as the attorney-in-fact of Debtor with the right (but not the duty) from time to time to create, prepare, complete, execute, deliver, endorse or file, in the name and on behalf of Debtor, any and all instruments, documents, financing statements, applications for insurance and other agreements and writings required to be obtained, executed, delivered or endorsed by Debtor under this Section 3 and Section 4.

(e) If this agreement covers farm products Debtor will provide Secured Party a written list of the buyers, commission merchants or selling agents to or through whom Debtor may sell his farm products. In this paragraph the terms farm products, buyers, commission merchants and selling agents have the meanings given to them in the Federal Food Security Act of 1985.

**4. Lock Box, Collateral Account.** If Secured Party so requests at any time (whether before or after the occurrence of an Event of Default), Debtor will direct each of its account debtors to make payments due under the relevant account or chattel paper directly to a special lock box to be under the control of Secured Party. Debtor hereby authorizes and directs Secured Party to deposit into a special collateral account to be established and maintained with Secured Party all checks, drafts and cash payments received in said lock box. All deposits in said collateral account shall constitute proceeds of Collateral and shall not constitute payment of any Obligation. At its option, Secured Party may, at any time, apply finally collected funds on deposit in said collateral account to the payment of the Obligations in such order of application as Secured Party may determine, or permit Debtor to withdraw all or any part of the balance on deposit in said collateral account. If a collateral account is so established, Debtor agrees that it will promptly deliver to Secured Party, for deposit into said collateral account, all payments on accounts and chattel paper received by it. All such payments shall be delivered to Secured Party in the form received (except for Debtor's endorsement where necessary). Until so deposited, all payments on accounts and chattel paper received by Debtor shall be held in trust by Debtor for and as the property of Secured Party and shall not be commingled with any funds or property of Debtor.

**5. Collection Rights of Secured Party.** Notwithstanding Secured Party's rights under Section 4 with respect to any and all debt instruments, chattel papers, accounts, and other rights to payment constituting Collateral (including proceeds), Secured Party may at any time (both before and after the occurrence of an Event of Default) notify any account debtor, or any other person obligated to pay any amount due, that such chattel paper, account, or other right to payment has been assigned or transferred to Secured Party for security and shall be paid directly to Secured Party. If Secured Party so requests at any time, Debtor will so notify such account debtors and other obligors in writing and will indicate on all invoices to such account debtors or other obligors that the amount due is payable directly to Secured Party. At any time after Secured Party or Debtor gives such notice to an account debtor or other obligor, Secured Party may (but need not), in its own name or in Debtor's name, demand, sue for, collect or receive any money or property at any time payable or receivable on account of, or securing, any such chattel paper, account, or other right to payment, or grant any extension to, make any compromise or settlement with or otherwise agree to waive, modify, amend or change the obligations (including collateral obligations) of any such account debtor or other obligor.

**6. Assignment of Insurance.** Debtor hereby assigns to Secured Party, as additional security for the payment of the Obligations, any and all moneys (including but not limited to proceeds of insurance and refunds of unearned premiums) due or to become due under, and all other rights of Debtor under or with respect to, any and all policies of insurance covering the Collateral, and Debtor hereby directs the issuer of any such policy to pay any such moneys directly to Secured Party. Both before and after the occurrence of an Event of Default, Secured Party may (but need not), in its own name or in Debtor's name, execute and deliver proofs of claim, receive all such moneys, indorse checks and other instruments representing payment of such moneys, and adjust, litigate, compromise or release any claim against the issuer of any such policy.

**7. Events of Default.** Each of the following occurrences shall constitute an event of default under this Agreement (herein called "Event of Default"): (i) Debtor shall fail to pay any or all of the Obligations when due or (if payable on demand) on demand, or shall fail to observe or perform any covenant or agreement herein binding on it; (ii) any representation or warranty by Debtor set forth in this Agreement or made to Secured Party in any financial statements or reports submitted to Secured Party by or on behalf of Debtor shall prove materially false or misleading; (iii) a garnishment, summons or a writ of attachment shall be issued against or served upon the Secured Party for the attachment of any property of the Debtor or any indebtedness owing to Debtor; (iv) Debtor or any guarantor of any Obligation shall (A) be or become insolvent (however defined); or (B) voluntarily file, or have filed against it involuntarily, a petition under the United States Bankruptcy Code; or (C) if a corporation, partnership, or organization, be dissolved or liquidated or, if a partnership, suffer the death of a partner or, if an individual, die; or (D) go out of business; (v) Secured Party shall in good faith believe that the prospect of due and punctual payment of any or all of the Obligations is impaired.

**8. Remedies upon Event of Default.** Upon the occurrence of an Event of Default under Section 7 and at any time thereafter, Secured Party may exercise any one or more of the following rights and remedies: (i) declare all unmatured Obligations to be immediately due and payable, and the same shall thereupon be immediately due and payable, without presentment or other notice or demand; (ii) exercise and enforce any or all rights and remedies available upon default to a secured party under the Uniform Commercial Code, including but not limited to the right to take possession of any Collateral, proceeding without judicial process or by judicial process (without a prior hearing or notice thereof, which Debtor hereby expressly waives), and the right to sell, lease or otherwise dispose of any or all of the Collateral, and in connection therewith, Secured Party may require Debtor to make the Collateral available to Secured Party at a place to be designated by Secured Party which is reasonably convenient to both parties, and if notice to Debtor of any intended disposition of Collateral or any other intended action is required by law in a particular instance, such notice shall be deemed commercially reasonable if given (in the manner specified in Section 10) at least 10 calendar days prior to the date of intended disposition or other action; (iii) exercise or enforce any or all other rights or remedies available to Secured Party by law or agreement against the Collateral, against Debtor or against any other person or property. Upon the occurrence of the Event of Default described in Section 7(iv)(B), all Obligations shall be immediately due and payable without demand or notice thereof. Secured Party is hereby granted a nonexclusive, worldwide and royalty-free license to use or otherwise exploit all trademarks, trade secrets, franchises, copyrights and patents of Debtor that Secured Party deems necessary or appropriate to the disposition of any Collateral.

**9. Other Personal Property.** Unless at the time Secured Party takes possession of any tangible Collateral, or within seven days thereafter, Debtor gives written notice to Secured Party of the existence of any goods, papers or other property of Debtor, not affixed to or constituting a part of such Collateral, but which are located or found upon or within such Collateral, describing such property, Secured Party shall not be responsible or liable to Debtor for any action taken or omitted by or on behalf of Secured Party with respect to such property without actual knowledge of the existence of any such property or without actual knowledge that it was located or to be found upon or within such Collateral.

**10. Miscellaneous.** This Agreement does not contemplate a sale of accounts, or chattel paper. Debtor agrees that each provision whose box is checked is part of this Agreement. This Agreement can be waived, modified, amended, terminated or discharged, and the Security Interest can be released, only explicitly in a writing signed by Secured Party. A waiver signed by Secured Party shall be effective only in the specific instance and for the specific purpose given. Mere delay or failure to act shall not preclude the exercise or enforcement of any of Secured Party's rights or remedies. All rights and remedies of Secured Party shall be cumulative and may be exercised singularly or concurrently, at Secured Party's option, and the exercise or enforcement of any one such right or remedy shall neither be a condition to, nor bar the exercise or enforcement of any other. All notices to be given to Debtor shall be deemed sufficiently given if delivered or mailed by registered or certified mail, postage prepaid, to Debtor at its address set forth above or at the most recent address shown on Secured Party's records. Secured Party's duty of care with respect to Collateral in its possession (as imposed by law) shall be deemed fulfilled if Secured Party exercises reasonable care in physically safekeeping such Collateral or, in the case of Collateral in the custody or possession of a bailee or other third person, exercises reasonable care in the selection of the bailee or other third person, and Secured Party need not otherwise preserve, protect, insure or care for any Collateral. Secured Party shall not be obligated to preserve any rights Debtor may have against prior parties, to realize on the Collateral at all or in any particular manner or order, or to apply any cash proceeds of Collateral in any particular order of application. This Agreement shall be binding upon and inure to the benefit of Debtor and Secured Party and their respective heirs, representatives, successors and assigns and shall take effect when signed by Debtor and delivered to Secured Party, and Debtor waives notice of Secured Party's acceptance hereof. Secured Party may execute this Agreement if appropriate for the purpose of filing, but the failure of Secured Party to execute this Agreement shall not affect or impair the validity or effectiveness of this Agreement. A carbon, photographic or other reproduction of this Agreement or of any financing statement signed by the Debtor shall have the same force and effects as the original for all purposes of a financing statement. This Agreement shall be governed by the laws of the state in which it is executed. If any provision or application of this Agreement is held unlawful or unenforceable in any respect, such illegality or unenforceability shall not affect other provisions or applications which can be given effect, and this Agreement shall be construed as if the unlawful or unenforceable provision or application had never been contained herein or prescribed hereby. All representations and warranties contained in this Agreement shall survive the execution, delivery and performance of this Agreement and the creation and payment of the Obligations. If this Agreement is signed by more than one person as Debtor, the term "Debtor" shall refer to each of them separately and to both or all of them jointly; all such persons shall be bound both severally and jointly with the other(s); and the Obligations shall include all debts, liabilities and obligations owed to Secured Party by any Debtor solely or by both or several or all Debtors jointly or jointly and severally, and all property described in Section 1 shall be included as part of the Collateral, whether it is owned jointly by both or all Debtors or is owned in whole or in part by one (or more) of them.

(a) Debtor has (or will have at the time Debtor acquires rights in Collateral hereafter arising) absolute title to each item of Collateral free and clear of all security interests, liens and encumbrances, except the Security Interest, and will defend the Collateral against all claims or demands of all persons other than Secured Party. Debtor will not sell or otherwise dispose of the Collateral or any interest therein without the prior written consent of Secured Party, except that, until the occurrence of an Event of Default and the revocation by Secured Party of Debtor's right to do so, Debtor may sell any inventory constituting Collateral to Buyers in the ordinary course of business and use and consume any farm products constituting Collateral in Debtor's farming operations. If Debtor is a corporation, this Agreement has been duly and validly authorized by all necessary corporate action, and, if Debtor is a partnership, the partner(s) executing this Agreement has (have) authority to act for the partnership.

(b) Debtor will not permit any tangible Collateral to be located in any state (and, if county filing is required, in any county) in which a financing statement covering such Collateral is required to be, but has not in fact been, filed in order to perfect the Security Interest.

(c) Each right to payment and each instrument, document, chattel paper and other agreement constituting or evidencing Collateral is (or will be when arising or issued) the valid, genuine and legally enforceable obligation, subject to no defense, set-off or counterclaim (other than those arising in the ordinary course of business) of the account debtor or other obligor named therein or in Debtor's records pertaining thereto as being obligated to pay such obligation. Debtor will neither agree to any material modification or amendment nor agree to any cancellation of any such obligation without Secured Party's prior written consent, and will not subordinate any such right to payment to claims of any creditors of such account debtor or other obligor.

Debtor shall thereupon pay Secured Party on demand the amount of all moneys expended and all costs and expenses (including reasonable attorney's fees) incurred by Secured Party, in connection with or as a result of Secured Party's performing or observing such agreements or taking such actions, together with interest thereon from the date expended or incurred by Secured Party at the highest rate then applicable to any of the Obligations. To facilitate the performance or observance by Secured Party of such agreements of Debtor, Debtor hereby irrevocably appoints (which appointment is coupled with an interest) Secured Party, or its delegate, as the attorney-in-fact of Debtor with the right (but not the duty) from time to time to create, prepare, complete, execute, deliver, endorse or file, in the name and on behalf of Debtor, any and all instruments, documents, financing statements, applications for insurance and other agreements and writings required to be obtained, executed, delivered or endorsed by Debtor under this Section 3 and Section 4.

(e) If this agreement covers farm products Debtor will provide Secured Party a written list of the buyers, commission merchants or selling agents to or through whom Debtor may sell his farm products. In this paragraph the terms farm products, buyers, commission merchants and selling agents have the meanings given to them in the Federal Food Security Act of 1985.

**4. Lock Box, Collateral Account.** If Secured Party so requests at any time (whether before or after the occurrence of an Event of Default), Debtor will direct each of its account debtors to make payments due under the relevant account or chattel paper directly to a special lock box to be under the control of Secured Party. Debtor hereby authorizes and directs Secured Party to deposit into a special collateral account to be established and maintained with Secured Party all checks, drafts and cash payments received in said lock box. All deposits in said collateral account shall constitute proceeds of Collateral and shall not constitute payment of any Obligation. At its option, Secured Party may, at any time, apply finally collected funds on deposit in said collateral account to the payment of the Obligations in such order of application as Secured Party may determine, or permit Debtor to withdraw all or any part of the balance on deposit in said collateral account. If a collateral account is so established, Debtor agrees that it will promptly deliver to Secured Party, for deposit into said collateral account, all payments on accounts and chattel paper received by it. All such payments shall be delivered to Secured Party in the form received (except for Debtor's endorsement where necessary). Until so deposited, all payments on accounts and chattel paper received by Debtor shall be held in trust by Debtor for and as the property of Secured Party and shall not be commingled with any funds or property of Debtor.

**5. Collection Rights of Secured Party.** Notwithstanding Secured Party's rights under Section 4 with respect to any and all debt instruments, chattel papers, accounts, and other rights to payment constituting Collateral (including proceeds), Secured Party may at any time (both before and after the occurrence of an Event of Default) notify any account debtor, or any other person obligated to pay any amount due, that such chattel paper, account, or other right to payment has been assigned or transferred to Secured Party for security and shall be paid directly to Secured Party. If Secured Party so requests at any time, Debtor will so notify such account debtors and other obligors in writing and will indicate on all invoices to such account debtors or other obligors that the amount due is payable directly to Secured Party. At any time after Secured Party or Debtor gives such notice to an account debtor or other obligor, Secured Party may (but need not), in its own name or in Debtor's name, demand, sue for, collect or receive any money or property at any time payable or receivable on account of, or securing, any such chattel paper, account, or other right to payment, or grant any extension to, make any compromise or settlement with or otherwise agree to waive, modify, amend or change the obligations (including collateral obligations) of any such account debtor or other obligor.

**6. Assignment of Insurance.** Debtor hereby assigns to Secured Party, as additional security for the payment of the Obligations, any and all moneys (including but not limited to proceeds of insurance and refunds of unearned premiums) due or to become due under, and all other rights of Debtor under or with respect to, any and all policies of insurance covering the Collateral, and Debtor hereby directs the issuer of any such policy to pay any such moneys directly to Secured Party. Both before and after the occurrence of an Event of Default, Secured Party may (but need not), in its own name or in Debtor's name, execute and deliver proofs of claim, receive all such moneys, indorse checks and other instruments representing payment of such moneys, and adjust, litigate, compromise or release any claim against the issuer of any such policy.

**7. Events of Default.** Each of the following occurrences shall constitute an event of default under this Agreement (herein called "Event of Default"): (i) Debtor shall fail to pay any or all of the Obligations when due or (if payable on demand) on demand, or shall fail to observe or perform any covenant or agreement herein binding on it; (ii) any representation or warranty by Debtor set forth in this Agreement or made to Secured Party in any financial statements or reports submitted to Secured Party by or on behalf of Debtor shall prove materially false or misleading; (iii) a garnishment, summons or a writ of attachment shall be issued against or served upon the Secured Party for the attachment of any property of the Debtor or any indebtedness owing to Debtor; (iv) Debtor or any guarantor of any Obligation shall (A) be or become insolvent (however defined); or (B) voluntarily file, or have filed against it involuntarily, a petition under the United States Bankruptcy Code; or (C) if a corporation, partnership, or organization, be dissolved or liquidated or, if a partnership, suffer the death of a partner or, if an individual, die; or (D) go out of business; (v) Secured Party shall in good faith believe that the prospect of due and punctual payment of any or all of the Obligations is impaired.

**8. Remedies upon Event of Default.** Upon the occurrence of an Event of Default under Section 7 and at any time thereafter, Secured Party may exercise any one or more of the following rights and remedies: (i) declare all unmatured Obligations to be immediately due and payable, and the same shall thereupon be immediately due and payable, without presentment or other notice or demand; (ii) exercise and enforce any or all rights and remedies available upon default to a secured party under the Uniform Commercial Code, including but not limited to the right to take possession of any Collateral, proceeding without judicial process or by judicial process (without a prior hearing or notice thereof, which Debtor hereby expressly waives), and the right to sell, lease or otherwise dispose of any or all of the Collateral, and in connection therewith, Secured Party may require Debtor to make the Collateral available to Secured Party at a place to be designated by Secured Party which is reasonably convenient to both parties, and if notice to Debtor of any intended disposition of Collateral or any other intended action is required by law in a particular instance, such notice shall be deemed commercially reasonable if given (in the manner specified in Section 10) at least 10 calendar days prior to the date of intended disposition or other action; (iii) exercise or enforce any or all other rights or remedies available to Secured Party by law or agreement against the Collateral, against Debtor or against any other person or property. Upon the occurrence of the Event of Default described in Section 7(iv)(B), all Obligations shall be immediately due and payable without demand or notice thereof. Secured Party is hereby granted a nonexclusive, worldwide and royalty-free license to use or otherwise exploit all trademarks, trade secrets, franchises, copyrights and patents of Debtor that Secured Party deems necessary or appropriate to the disposition of any Collateral.

**9. Other Personal Property.** Unless at the time Secured Party takes possession of any tangible Collateral, or within seven days thereafter, Debtor gives written notice to Secured Party of the existence of any goods, papers or other property of Debtor, not affixed to or constituting a part of such Collateral, but which are located or found upon or within such Collateral, describing such property, Secured Party shall not be responsible or liable to Debtor for any action taken or omitted by or on behalf of Secured Party with respect to such property without actual knowledge of the existence of any such property or without actual knowledge that it was located or to be found upon or within such Collateral.

**10. Miscellaneous.** This Agreement does not contemplate a sale of accounts, or chattel paper. Debtor agrees that each provision whose box is checked is part of this Agreement. This Agreement can be waived, modified, amended, terminated or discharged, and the Security Interest can be released, only explicitly in a writing signed by Secured Party. A waiver signed by Secured Party shall be effective only in the specific instance and for the specific purpose given. Mere delay or failure to act shall not preclude the exercise or enforcement of any of Secured Party's rights or remedies. All rights and remedies of Secured Party shall be cumulative and may be exercised singularly or concurrently, at Secured Party's option, and the exercise or enforcement of any one such right or remedy shall neither be a condition to, nor bar the exercise or enforcement of any other. All notices to be given to Debtor shall be deemed sufficiently given if delivered or mailed by registered or certified mail, postage prepaid, to Debtor at its address set forth above or at the most recent address shown on Secured Party's records. Secured Party's duty of care with respect to Collateral in its possession (as imposed by law) shall be deemed fulfilled if Secured Party exercises reasonable care in physically safekeeping such Collateral or, in the case of Collateral in the custody or possession of a bailee or other third person, exercises reasonable care in the selection of the bailee or other third person, and Secured Party need not otherwise preserve, protect, insure or care for any Collateral. Secured Party shall not be obligated to preserve any rights Debtor may have against prior parties, to realize on the Collateral at all or in any particular manner or order, or to apply any cash proceeds of Collateral in any particular order of application. This Agreement shall be binding upon and inure to the benefit of Debtor and Secured Party and their respective heirs, representatives, successors and assigns and shall take effect when signed by Debtor and delivered to Secured Party, and Debtor waives notice of Secured Party's acceptance hereof. Secured Party may execute this Agreement if appropriate for the purpose of filing, but the failure of Secured Party to execute this Agreement shall not affect or impair the validity or effectiveness of this Agreement. A carbon, photographic or other reproduction of this Agreement or of any financing statement signed by the Debtor shall have the same force and effects as the original for all purposes of a financing statement. This Agreement shall be governed by the laws of the state in which it is executed. If any provision or application of this Agreement is held unlawful or unenforceable in any respect, such illegality or unenforceability shall not affect other provisions or applications which can be given effect, and this Agreement shall be construed as if the unlawful or unenforceable provision or application had never been contained herein or prescribed hereby. All representations and warranties contained in this Agreement shall survive the execution, delivery and performance of this Agreement and the creation and payment of the Obligations. If this Agreement is signed by more than one person as Debtor, the term "Debtor" shall refer to each of them separately and to both or all of them jointly; all such persons shall be bound both severally and jointly with the other(s); and the Obligations shall include all debts, liabilities and obligations owed to Secured Party by any Debtor solely or by both or several or all Debtors jointly or jointly and severally, and all property described in Section 1 shall be included as part of the Collateral, whether it is owned jointly by both or all Debtors or is owned in whole or in part by one (or more) of them.
